BARE SPACE BOOTH

We will be building our own booth and enclose drawing, with dimensions, illustrating the design of our booth. We understand that all electrical and piping installations must be carried out by the Official Contractors and as exhibitor and contractor, agree to abide by all the Rules and Regulations of the exhibition, particularly in respect of those stipulated in the Terms and Conditions of the Exhibitor's Manual.

The following company has been appointed as our contractor to construct our booth and/or other displays: -

Name of Contractor			
Person in Charge		Booth Number	
Tel		Mob. Number	
Email			
Designation			
Exhibiting Company			

Note: -

- **Submission of Design/Drawing:** All designs and drawings are to be submitted before **4th August 2023**. Late submissions will not be considered.
- **Refundable Deposit:** Non-official contractors shall be required to deposit a Refundable Deposit according to the size of the exhibits booths, to ensure that the rules and regulations are abided by, to cover any damages arising directly or indirectly from any infringements, and to settle all payments for supply and services rendered during the exhibition or for the purposes of the exhibition.
- **Administration Fee:** A non-refundable administration fee of RM20.00 per sqm contracted is also payable by the exhibitor's contractor to the official contractor prior to commencing work, processing of communications, management function including securing approval from the relevant authorities.
- **Booth Design Approvals:** Exhibitors using contractors other than the Official Contractors shall advise their independent contractors to submit their booth design and drawing to the Organiser or Official Contractor for approval before the exhibition. Failing which, organiser or official contractor reserves the right to stop any exhibitor and/or contractor from working within the exhibition hall if the booth design / drawings are not submitted in time, or not approved.
- **Booth Boundaries and Design Restrictions:** No exhibitor may place any display material or allow dividing wall or any part of their booth design and fittings beyond their contracted boundary.
- **Booth Height:** all construction above 2.4m for height is permitted only upon approval of the organiser or official contractor.

LIGHTINGS AND POWER (continued)

- Only the official contractor is permitted to undertake electrical work in the exhibition halls.
- Exhibitors who connect own lighting fixtures will be imposed with a **lighting connection charge of RM110.00 (per fitting)**.
- Power points supplied are to be used for running equipment/exhibits only. If used for lighting purposes, lighting connection charges will apply.
- Exhibitors who wish to provide own lightings and fixtures containing wiring installation shall comply with the following procedures: -
 1. submit detailed drawings of such installation to the Event Manager for approval.
 2. show proof that such installation is carried out by a registered wiring contractor with relevant Class of Certificate of Registration issued by the Director-General of Electrical Inspectorate, Malaysia, or its equivalent
 3. Use materials approved by the Department of Electrical Inspectorate, Malaysia. Non-compliance of the above shall result in immediate termination of power supply and/or penalty charges imposed by Kuala Lumpur Convention Centre (venue owners).
- The Event Manager reserves the right to request exhibitors to change any wiring installation, connection etc contained in lighting fixtures for safety reasons.
- Exhibitors whose lighting fixtures are found to be the cause of trips in power supply shall be responsible for all re-energization charges.

One power point is assigned to one machine only. No multi-purpose plug and/or extension are allowed.
